## COMMANDER'S CORNER

Krista Abshure, Commander, Post 116

### BLACK MILITARY HISTORY

As we begin on the month of February, I wanted to take a moment to remind and encourage each one of you to honor the contributions and sacrifices of African Americans in the military, as we observe Black History Month.

Throughout the history of our great nation, Black servicemen and women have played an integral role in safeguarding our freedoms. Their bravery, dedication, and unwavering commitment continue to inspire us all. As members of the American Legion, it is our duty to ensure that the stories and achievements of these remarkable individuals are celebrated and remembered. Let us foster an environment of inclusivity and appreciation within our ranks, where everyone feels valued, respected, and welcomed.

In the spirit of coming together for a greater purpose, I want to express my gratitude for the selfless dedication each of you has shown by volunteering your time at Post 116. It is through your collective efforts that we are able to make a meaningful difference in the lives of our fellow veterans, their families, and our community.

Furthermore, I would like to bring your attention to an important day this month. On February 17th, we will celebrate International Day of Kindness. I invite you all to participate by performing a simple act of kindness. Whether it's opening a door for someone, offering a warm smile and a friendly hello, or returning someone's grocery cart, these small gestures can have a profound impact on someone's day. We never know what others may be going through, and the ripple effects of kindness can truly touch the lives of many.

If you are interested in learning more about volunteer opportunities to help spread kindness at our Post and support our veterans, please reach out to me via email at [Commander@ALPost116NC.org](mailto:Commander@ALPost116NC.org) to be added to our "volunteer opportunity notification list." Your involvement and willingness to serve reflect the strength and unity of Post 116, and for that, I sincerely thank each and every one of you.

I look forward to see you all around The Post soon!

### RENEWAL UPDATE

National caught flack because members that renewed in a timely manner were not offered [the] **three-year deal**. They have now extended the offer to members that had already renewed for 2024.

So, if you want to renew through 2027, you have that ability right now. In addition to the bonus of not receiving a renewal notice during the time that you have signed up for the multiyear membership, it will be treated in the same manner as a PUFL-- The dues that are due to National and Department effective at the time of payment will remain throughout the renewal period. So, when National raises their rates for Membership Year 2025, the Post will not have to pay the added fees for those members until Membership Year 2028.

## COLD, WET WEATHER DIDN'T KEEP THE RIDERS DOWN THIS MONTH!

A small group of Riders made a trip to the Fayetteville VA Medical Center the first weekend of January to visit with Veterans in the psychiatric ward. The group showed up with hot pizzas for the patients to enjoy while visiting. They were very appreciative to have visitors (and pizza). The Riders were told that one patient hadn't come out of his room in a month. It's amazing what a visitor with pizza can do for someone.

The Riders typically escort the Deuce to deliver bottled water they donate to the USO at the airport. The Deuce was down and the weather was cold, but with the help of Lee Johnson's truck and trailer and the Riders' four-wheel vehicles, they delivered their donation to the USO.

## HOW TO REACH YOUR SERVICE OFFICER

Service Officer Open Hours held each Saturday are canceled until further notice. On 16 January 2024, Philip Du, Deputy Director of Benefits & Claims, National VA&R Division published a memo to all Department Commanders and Adjutants informing them of the release of the Post Service Officer Case Brief (PSOCB). The PSOCB gathers general information and is forwarded to the County Service Officer for The American Legion, which is a tax-funded position at the County Veteran Services Office, or to The American Legion Department Service Officer, located at the VA Regional Office in Winston-Salem.

## The PSOCB states that a Post Service Officer is prohibited from the following:

"preparing, presenting, and prosecuting" a VA benefit claim.

Preparing includes, but is not limited to, consulting with or giving advice to a claimant or potential claimant in contemplation of filing a benefits claim, gathering evidence in support of a benefits claim on behalf of a claimant or potential claimant, or filling out VA forms for their submission to VA.

### CERIMONIAL COMMITTEE

Dan Miltenberger

### WE'VE BEEN BUSY.

As we begin a new year, the Honor Guard has just finished a spectacularly busy year! We participated in many community-oriented events such as Christmas parades; presenting the Colors at Town Council meetings; participating in numerous Post oriented ceremonies remembering 9/11, celebrating Memorial Day and Veteran's Day; supporting the Flags for Heroes event and the 9/11 Remembrance in conjunction with the Town of Fuquay Varina and providing color guard teams to local sporting events. Most importantly we had the privilege of rendering military honors to 15 veterans who passed away. It is always an honor o support grieving families as we provide rifles salutes, flag folding and presentation and Taps, providing these solemn ceremonies each of them have earned and so richly deserve through their service to their country. It is without question the most gratifying events we do.

Our next year is shaping up to be just as busy as last, if not more so. We need more volunteers to meet the escalating demand for ceremonial support. You need not have any previous experience and we can guarantee that you will have a great deal of fun and great camaraderie very similar to that which you experienced while in uniform. So please join us! We meet every third Saturday of the month in Bldg. 2. We look forward to seeing you and to joining our team!!

### EARLY BIRD MONTHLY DRAWING

“What’s so special about the Early Bird stamp on my membership card? It doesn’t do anything.”

A statement that I have heard far too often in the last 18 years that I have been at Post 116. Well, that changes now. As of January 2024, the Membership Committee has started a monthly prize drawing **exclusively** for Early Bird recipients.

“What’s an [ Early Bird ] and how do I get one?”

The American Legion membership year is January 1st through December 31st, so your American Legion membership is valid through 31 December of the year printed on your membership card. In order to obtain maximum renewal by the new year, The American Legion starts the renewal season each July 1st – six months before the expiration. Post 116 has established that September 15th will

be the cutoff for Early Bird renewals. If you renew between July 1st through September 15th, you will get an Early Bird stamp on your membership card.

- Each month on the 25th, +/- 2 days, the Membership Committee will conduct a random drawing of an Early Bird recipient.
- The winner’s Member ID Number, located on your Membership Card, will be published in a random spot in the Monthly Newsletter. **(Hint: Keep your Membership Card handy to see if you are the winner)**
- The winner’s name will be announced at the General Meeting.
- The random drawing results will be published after the General meeting to our Facebook group: American Legion Post 116 (Closed Group for Members and Supporters).

On July 1st, at the beginning of the renewal season, the eligibility list will reset. Only the Members that have renewed between July 1st and July 24th will be included in the drawing on July 25th. Renew early. Be an Early Bird. Get the worm. Or prize. We like prizes!

### A SENSE OF CAMARADERIE

Comraderie, noun: mutual trust and friendship among people who spend a lot of time together. Well, we do spend a lot of time together. Whether it is to meet new members or to build a ramp for those in need or simply just to socialize, we do so because of that sense of comraderie. It's a familiar sense that we enjoy. Being a Legion member is about being of service to our Veteran community. And, it's that service that bonds us. It's why we jump at the opportunity to help where we can, to honor our fathers & mothers and to welcome our newest member to the fold. But there is a catch. In order to feel it, you kinda have to be there.
