RECAP

Greetings everyone, it's been another busy month for the Legion Family. We started out with the Grill and Chill on the first of the month, rolled right into Fish fry the following Friday, End of Summer Bash on Saturday and the first NFL cook for the year on Sunday. At the End of Summer Bash we had two special ceremonies, one was to dedicate our new fire pit area which is now called "The Legion Lodge". The other ceremony was our mortgage burning ceremony. This was very special to many of our older members who were members when building 1 was built or were part of the team who refinanced in 2015. We had 6 past commanders, several past adjutants, and many other past post officers, and members. The day was a great success. The next weekend September 15th we had the Riders bike show where we had groups from Clayton, Garner, Raleigh, Lillington much more of the surrounding area. another big success. The 21st was the Rider Poker run. The 29th was the Cruisers Fall Car show which is always big hit with everyone. If you are ever looking for something to do, we have events most weekends.

We also have events going on during the week, such as karaoke, line dancing, trivia, darts, and cornhole. Please check out the calendar for dates and times. www.ALPost116nc.org I would like to give a big shout out to our many volunteers who help put these events on. As you know we are a total volunteer force and nothing would happen without our volunteers. Many thanks to all of you.

Generosity Flows Free

I do want to mention something I have noticed about our legion family; I am not going to mention names but people's generosity to the post sometimes amazes me. Just this month, I was in a meeting and the rec room wanted to buy a new light for over the pool table and they were asking for money to buy it. When out of nowhere a member speaks up and says he would pay for it. Then another member was out at the new Legion Lodge and said we need a ceiling fan out there and he said I'll buy it if you put it up. Then lastly if you were at the End of Summer Bash, you saw this, the last ticket for the gun raffle was auctioned off. A \$20.00 ticket was sold for \$600.00. This kind of generosity is just amazing and it's what makes are post so special.

Thanks to you all.

Have You Seen Bldg 2?

Have you seen the new paint and floors in building 2? They look great! This was a project done with post volunteers in conjunction with Home Depot. Awesome job and thanks to all who helped. Don't know if you know this but Home Depot is now at the Army & Airforce Exchange and the Navy's NEX. If you are familiar with Home Depot's military discount it does not count for lumber and appliances. To get special military discounts on appliances and tax free you have to shop on line. Go to the Home Depot website scroll down to the bottom of the page under "resources" select "Military Discounts and Benefits", then scroll down till you see the Army & AF Exchange page or NEX page and start shopping. You will be asked to verify your eligibility. These special deals will save you big money.

Keep It Clean

Just one thing I need to mention as a reminder. Conversations about politics and religion need to be kept to a minimum in the rec room and for that matter any place on post property. You have to remember that everyone is entitled to their own opinions and you most likely will not change that by yelling or saying disparaging comments. The post is a family friendly environment and we need everyone to watch your language. At times it gets out of control and patrons and staff don't want to hear it, People are there to relax and enjoy themselves. If you can't control your language, you will be asked to leave. Thanks for your cooperation.

Please Renew

My last thing and on a positive note Membership renewal has been great, we are well above sixty percent but our next goal by the end of October is 80% and we need about 200 more members to renew to hit that mark. If you have not renewed, please do so as soon as you can. You can renew in the rec room or online at www.mylegion.org if you renew online, you can print your new membership card right after your renewal is complete. Everyone please have a great month and hope to see you at the post.

BUSY BUSY BUSY

September has been a very busy month for the Honor Guard – again. We were privileged to provide honors for a departed Legionnaire. We presented the Colors at the Travis Manion Memorial Run, Walk, Ruck event. In addition, we presented the Colors at the Heritage High School vs Leesville Road High School football game where the halftime show included a salute to Gold Star families and veterans of the local area. As we have so often, we presented the Colors at the Holly Springs Town Council meeting as well. We are already into coordination with Raleigh, Fuquay Varina and Holly Springs as the parade season approaches. The Veterans Day parade in Raleigh and the Christmas parades will be our primary coordination focus and more information will be forthcoming as we get closer to the time we step off on each. As always, we are prepared to render honors to all veterans who have passed ensuring that their faithful service to their country is recognized and respected.

FIRST ANNUAL MOTORCYCLE SHOW

The Riders held their first annual Motorcycle Show and Swap Meet in September. We had 17 bikes register for the show and more than 100 bikes show up for the day. This was a successful event for awareness at the Post and for bringing in funds to the Riders, the Sons working the grill and our Post through the Rec Room. Thanks to everyone's support for this event!

During the End of Summer Bash, former Rider Director Scott Meier, Lips, auctioned off the last gun raffle ticket to the tune of \$600! This not only created some excitement around the deck, but it made the gun raffle an even more successful fundraiser. Thanks to the Sons for collaborating on this fundraiser with us!

Late summer riding weather provides lots of good riding opportunities. On September 8th, we had Riders participating in the Tunnel to Towers ride for Freedom which supports first responders and military personnel. Our group divided up and supported two rides on the 21st: the Motor Muscle Excursion to benefit Blue Knights and Whole Vet and a Bingo Run with Post 232 to benefit veteran charities.

Lastly, a few of our members put on their aprons, hats and gloves and served dinner to Post members at the General Meeting this month.
